Dear Lacy,

This letter is in regards to the 1/6/14 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)c First-Aid supplies are available and easily accessible in the home, outdoor play area, any vehicle used to transport children, and on field trips. (You need to obtain a portable first aid kit.)
- ☐ 110.5(1)c The first-aid kit is sufficient to address first aid related to minor injury or trauma and stored in an area not accessible to children.
- ☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. (You need to post an emergency/disaster plan next to your front and back door. This plan should include a map of your main level and clearly mark fire/tornado exits/locations.)
- ☐ 110.5(1)j The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.
- ☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. (You need to practice and record monthly fire/tornado drills. I suggest using the Emergency Drill Record sheet I shared with you.)
- ☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor. (You need to obtain a 2A 10BC fire extinguisher for your main level.)
- ☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. (You need to obtain a current vet check statement for Lucy to be kept on file. If it has been more than a year since her last check, a new appointment must be scheduled.)

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (You need to obtain copies of physician signed statements of health for yourself and all household members to be kept on file. These need to be renewed every two years.)

☐ 110.5(2)d An individual file is maintained for each substitute and contains:

☐ 110.5(2)d A physician's signed statement of health of at the time of employment and at least every two years thereafter. (You need to obtain a copy of a physician signed statement of health for substitute Jeremy to be kept on file. These need to be renewed every two years.)

☐ 110.5(4) **The certificate of registration is displayed in a conspicuous place.** (You need to display a copy of your certificate on your main floor.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before 2/21/14.**

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 2/21/14.
